**** NEW ACROBATIC ARTS *** ½ HOUR, ¾ HOUR OR 1 HOUR CLASS

Acrobatic Arts is a program that revolves around Flexibility, Strength, Balancing, Limbering, and Tumbling. It was developed with input from professionals in many different areas, including dance, gymnastics, yoga, and physiotherapy. It is based on progressions that take a student from simple skills, like somersaults up to more advanced ones, like tumbling across the stage. The Acrobatic Arts syllabus is about developing skills that the students can use in their everyday dance classes, in addition to sports and/or other activities.
